

Tracy Moseley, girls' skills camp with Bike Verbier.

Quickly improve your all-mountain skills.

A rare chance to massively improve your riding techniques with one of the sport's true all-rounders, using Verbier's legendary singletrack and idyllic alpine setting as your training ground.

Learn from the Enduro World Champion.

Enjoy personal instruction from Tracy on everything from downhill, enduro and technical riding through to cycling fitness, general bike handling and xc riding skills. Training is progressive, pressure-free and carefully tailored to your skills and ambitions. Ride faster, further, smoother and more confidently on a wider range of terrain and trails.

- Conquer switchbacks
- Feel comfortable at speed
- Tackle steeper terrain
- Improve your general bike fitness
- Ride roots, rock gardens and off-camber trails
